A NOTE FROM THE PRINCIPAL

Hello All,

Swimming Carnival:

Congratulations to all our swimmers who competed in the recent Small Schools Swimming Carnival. I was very proud of the way our students conducted themselves on the day and the fantastic sportsmanship they exhibited. Special congrats go to Sophie Strong (Senior Girls Champion), Tomas Learmonth (11Yrs Boys Champion) and Shae Learmonth (Jnr Girls Champion). Mayrung School also won the Handicap Champion School Trophy. These students along with Alicia Smith, Thomas Holschier, Edwina Barclay and Taylah Gow made it on to the District Carnival in Hay. Best wishes to Sophie as she heads to Albury to compete at the Regional Swimming Carnival later in the month.

Thank you to those parents that attended and especially those who were able to give their time and help timekeep.

PSSA Sport Trials:

Edwina and Thomas recently participated in the PSSA Tennis trials, both having a great day. Tomas, Thomas and Fletcher have today competed in the Basketball trials in Moama and by all accounts have played well.

Small Schools Network Meeting:

Last week Mayrung PS hosted an afternoon meeting of all the three small schools. At the meeting many items were discussed and shared. It is always a great opportunity to collaborate with eachother, ensuring that we are all the same page and obtaining insight into what each school is doing. Our grounds and classrooms received many compliments, which was fabulous.

Have a wonderful fortnight!

**NEWS FROM MRS ADAMSON:**
As always the weeks are flying by, week 6 already!!!
I am sending home an information note for Science, (please check for it in your child’s bag) next week we will be learning about the students pets, could you please help them and discuss the information needed also some photos would be great.
In Maths last week we were learning about money, the children had a great time setting up a shop and buying and selling objects.
This week in Maths we are learning about grouping and sharing.
Have a great week.

**VALUES:**
For our lesson in values this week each child will need to bring in a potato.
Thank you
Jenny Adamson

**NEWS FROM MR CONNOR:**
Hello everybody,
Here we are, past the half way mark of Term 1 already! I would like to start off by saying congratulations to all those Mayrung students who jumped in the pool and had a go at the small schools swimming carnival. It was great to see all the students having fun.
In the classroom recently we have been doing a mixture of artwork such as aboriginal dot paintings, city scenes and the big class project which will be entered into this year’s Deniliquin show, the Mosaic. In saying that, I’d like to thank Ben Howitt for helping and providing support for the students to complete the Mosaic.
In Peer Support last week the students were given the opportunity to cook up some delicious bruschetta which turned out great. We have also been getting active on Friday mornings by going over to the tennis court and having a hit. I have noticed a great improvement in all of the student since week 1 and that is great to see.
Thanks,
Mr. Connor
**Swimming Carnival:**

What a great result for Mayrung. We had so many students show great sportsmanship and trying their hardest and it paid off with Tom Learmonth winning the Senior Boy champion medal and his sister Shae the Junior Girl one. Shae also broke the Junior Girls 50 m Butterfly event, what a great effort Shae.

Sophie Strong continues her talent in swimming and was awarded the Senior Girl champion medal. Not only did Sophie win the medal she also broke all the records in all her events recorded since 2007. What a fantastic achievement. Sophie also currently holds the record in 9 events in different age groups. Well done Sophie.

**School Contributions:**

School Contributions are a major source of revenue for the school. These fees help to enable us to acquire the materials to run our school smoothly. As you would understand, the costs are going up, school materials becoming increasingly more expensive and these contributions are necessary to help ensure adequate resourcing. We also plan to do more cooking in Peer Support and therefore asking for the first child in the family $75, thereafter $30 per child.

Please feel free to contact us if you have any questions or would like to pay the contributions in instalments.

**Canteen:**

Please remind your children to have their lunch order in by the latest Wednesday morning.
DENILIQUIN MOBILE CHILDREN’S SERVICE

Are you looking for care for your child or children in 2015?
If so, Deniliquin Mobile Children’s Service may be what you are looking for.
Deniliquin Mobile Children’s Service provides flexible, responsive and innovative services: children and families experiencing social, geographic, cultural or economic isolation. Focusing on the care and education of children, we aim to ensure that children and families in isolated and disadvantaged communities in rural and remote areas have access to high quality and safe children’s services. Our educators pack resources and equipment into a truck and each day they travel to communities to provide care and education in community halls.

We currently run our services at the following venues:
- Monday: Pretty Pine fortnightly
- Tuesday: Blighty weekly
- Wednesday: Retreat weekly
- Thursday: Conargo weekly
- Friday: Bunnaloo fortnightly
- Friday: Mathoura fortnightly
- Tuesday: Koori Playtime weekly held at Interreach Deniliquen

For more information please call the Administration office on 03 5812394 (ext 1)
